You will only be liable for the cost of the premium for the period of cover already received.

A Savings/Investment contract may be cancelled within 30 days, as above. All benefits will end however, the refund value of your investment will account for any fall in the value of your investment that may have taken place during that 30-day period. You may not get back the full amount invested as the amount refunded is the value on the date of cancellation.

The product provider may withdraw benefits on default of payments due under any products arranged for your benefit.
